Room users are urged to contact the Academic Support Center (882-6703) prior to the start of their classes. An ASC staff member can meet with them in the auditorium to demonstrate operations and answer questions concerning their specific needs. The room is checked throughout the semester for proper operation of the installed technology, but if you notice a problem, please alert Classroom Technology Services (882-6703).

**Guest Computer VGA /Audio Connector**

Connect a laptop to the VGA cable for visual display.
Connect the 3.5mm cable to for audio.

Macintosh laptops will need a specific VGA adapter.
Models within the last five years should need Mini-DisplayPort-to-VGA adapters. (Contact TigerTech, in the Mizzou Store, to acquire one.)
Models older than that will need different adapters.

**Guest Laptop Mirroring Shortcut Keys**

Most laptops will project an image to a secondary display immediately, when connected. If the projection is not automatic, certain shortcuts or keystrokes may be necessary:

- Windows XP and Windows Vista®: Fn+Function
- Windows 7 and 8: Windows+P to bring up a toggle menu to select Duplicate.
- Macintosh: CMD+F1 to Mirror
- Consult your computer user’s guide for specific information on your computer.

**Wall-Mounted Projector Control Pad**

- **A/V Mute** (block audiovisual content without powering off the projector)
- **Input Select** (automatically selects the next input with a live signal)
- **Select Specific Input** (These are usually in rooms with computers, VCRs, or other such equipment is installed)
- **Adjust Volume Levels**
- **Adjust the Shape of the Image**
- **Power to the Projector**
