Tucker Hall - Room 18

Projector Control

- **Connection Indicator**
  - Blinking Green = Good Connectivity
  - Solid Red = Connection Failure

- **Toggle Power**
  - While the projector is warming up, this button will flash.

- **A/V Mute**
  - Quickly block projected image.

- **Volume Control**
  - Slider and arrow buttons control the audio from Computer, A/V, and auxiliary sources.

- **Microphone Control**
  - Opens a popup menu to control individual microphone inputs, including the wireless.
  - A wireless microphone is provided in this room.

- **Input Selection**
  - Select an input to project.

  - **Room Computer**
    - Touch to Select

  - **Laptop Input**
    - Touch to Select

  - **VCR Player**
    - Touch to Select

  - **Tegrity**
    - A 3.5mm audio cable is provided for microphone audio output to a guest laptop for Tegrity recording purposes.

  - **NOTE:** Batteries for this microphone are not supplied. When planning on using this microphone in the room, bring (2) AA batteries.

- **Guest Laptop Mirroring Shortcut Keys**
  - Most laptops will project an image to a secondary display immediately, when connected. If the projection is not automatic, certain shortcuts or keystrokes may be necessary:
    - Windows XP and Windows Vista®: Fn+Function
    - Windows 7 and 8: Windows+P to bring up a toggle menu to select Duplicate.
    - Macintosh: CMD+F1 to Mirror
  - Consult your computer user's guide for specific information on your computer.

- **Document Camera**
  - The document camera is connected to the room computer.
  - Project the Room Computer and select ImageMate for controls and camera view.
